RESIDENTIAL **GAS** SLIDE IN COOK TOPS

COOK TOP FEATURES

- Sealed burners deliver exceptional performance at every setting and lift off to provide easy cleanup.
- 3 sizes of burners to serve your everyday needs: 17,000 BTU (lg), 13,000 BTU (med), 9,000 BTU (sm).
- Variable infinite flame settings for all burners.
- Automatic, electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting.
- Continuous, commercial-grade, cast iron grates allow for easy transfer of pots and pans across the entire cooking surface.
- Sealed single piece stainless steel cook top can hold more than a gallon of spills.
- Analog controls provide easy, push and turn operation ensuring. child safety.
- Blue LED lights indicate which burners are on.
- Heavy metal die-cast black satin knobs with chrome bezels.
- Backgaurd required, must order separately (not included).
