en - If the cabinet does not have a stable rear panel, the fastening bracket must be attached to the kitchen wall. To do so, use suitable means of fastening.

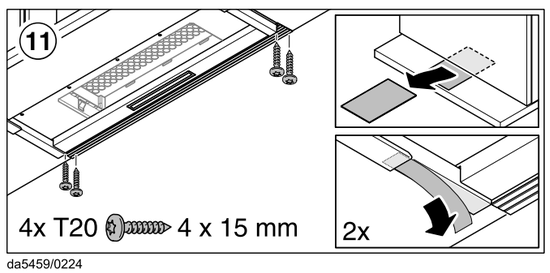

fr - Si l'armoire n'a pas un panneau arrière stable, le support de fixation doit être fixé au mur de la cuisine. Utilisez alors un moyen de fixation approprié.

es - Si el gabinete no tiene un panel trasero estable, debe fijarse el soporte de sujeción a la pared de la cocina. Para hacer eso, utilice los medios adecuados de fijación.
