KTI48XT

48" T-SHAPE ISLAND HOOD
STAINLESS STEEL

Complete your Bertazzoni kitchen with this elegant island ventilation solution

Choose among 4 extraction airflow speeds, reaching a maximum flow performance of 600 CFM (cubic feet per minute).

Easily throttle down airflow to 295 or 395 CFM with the digital airflow reducer

Enjoy the ultra-quiet performance rated at 2.5 sones (lowest setting)

Easily control all hood functions with the electronic controls or the included ADA-compliant remote control.

Enjoy powerful illumination of the cooking surface with 4 long-lasting and bright LED lights, which also don't create additional heat and are energy efficient.

Filter out odors and grease with the elegant yet practical European baffle filters, which can be easily cleaned periodically in the dishwasher.

The hood comes standard for venting outside the kitchen, but can be easily modified for recirculation by installing the optional charcoal filters.

Duct cover extension available for installation in kitchens with tall ceiling.

Designed and manufactured with pride in Italy.

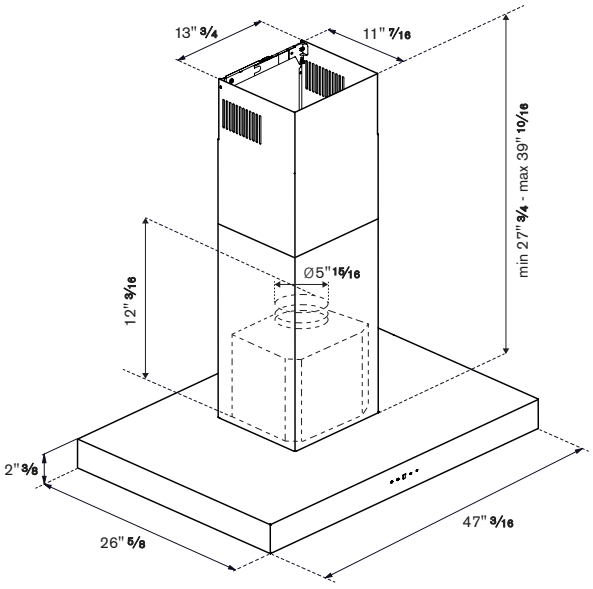

Industry leading 2 years parts and labor warranty.

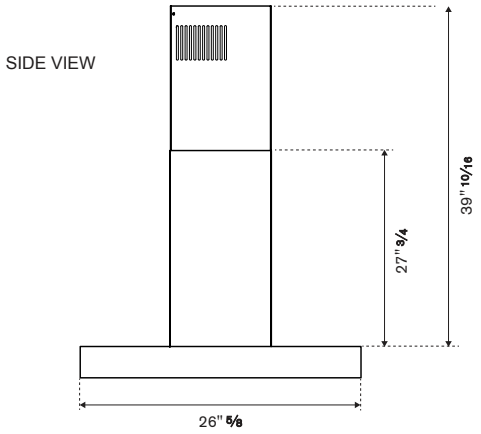

PRODUCT FEATURES	
Size	48"
Hood type	Island mount
