measurements in inches

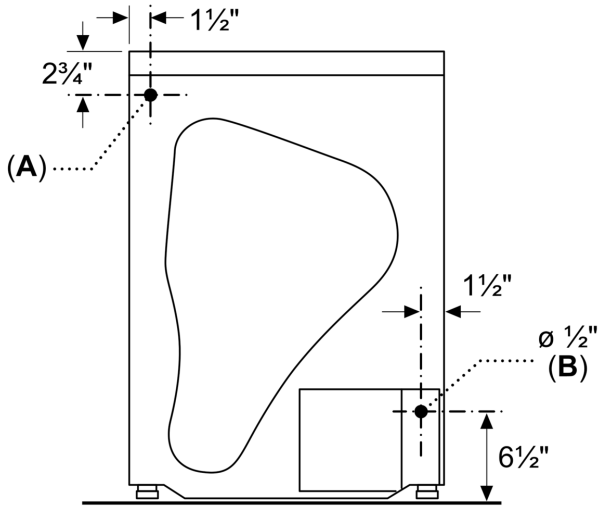

Guidance for location of Dryer receptacle and Water taps to minimize depth allowance (Not to Scale)

A: Dryer
B: Washer
C: Axis lines, in shaded areas, indicate Center Line of home's Dryer receptacle for minimal depth allowance if located entirely behind appliances.
D: Minimum Stack Height (with Stacking Kit)
E: Hatched area - indicates location for home's Hot and Cold water taps/outlets for minimal depth if located entirely behind appliances.

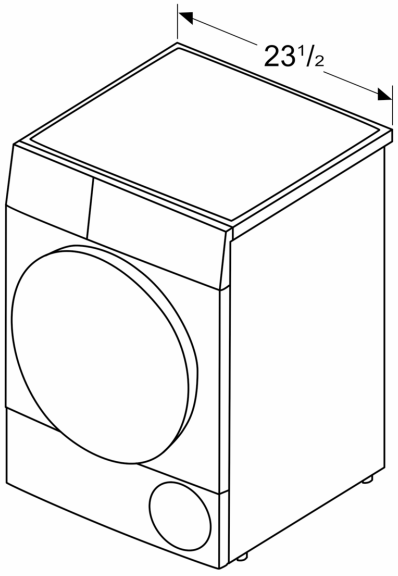

Installer / Customer is responsible for fit, function, maintenance and safety of utility installation.

measurements in inches

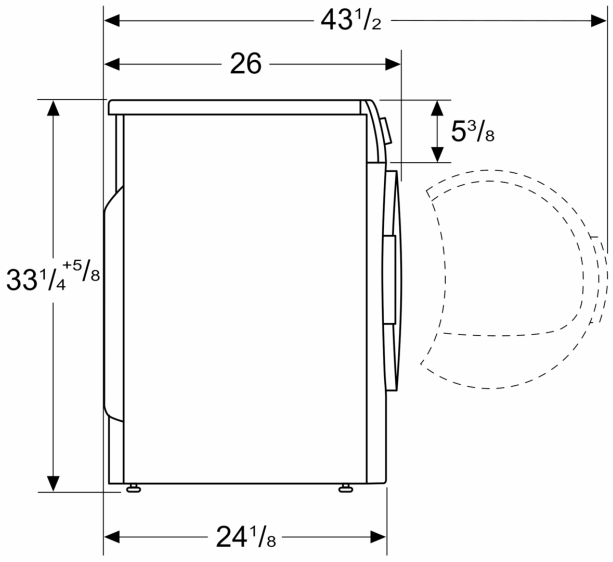

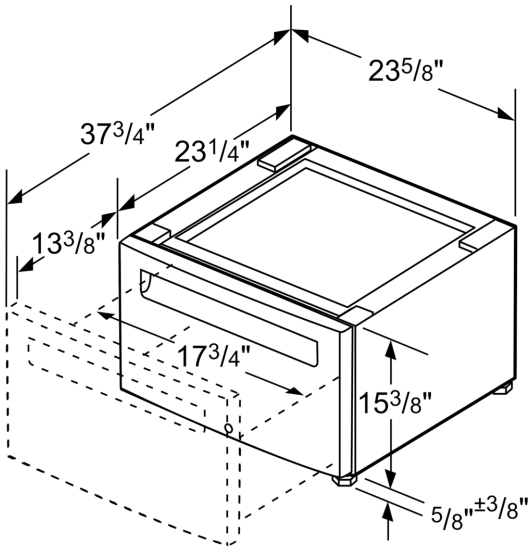

A: Power cord exit
B: Drain exit
