

# 7.0 cu. ft. Gas Dryer

WGD5000D

White  
WGD5000DW

## Key Features & Benefits

### AccuDry™ Sensor Drying System

Evenly dry loads the first time with the AccuDry™ sensor drying system. It measures moisture and temperature levels with two built-in sensors to help prevent overdrying and automatically stop the cycle when the load is dry.

### Wrinkle Shield™ Option

Helps prevent wrinkles from setting in by continuing to tumble the load every 5 minutes after the cycle is complete. Either designate how long the feature tumbles the load, or easily open the door to end it.

### Hamper Door

Easily move clothes from the washer to the dryer with the help of our hamper door. This feature also is great for when it's time to sort and fold your laundry.

## Capacity

Total 7.0 cu. ft.

## General Features & Properties

7.0 Cu. Ft. Capacity

Adjustable End-of-Cycle Signal

Interior Drum Light

Designed, Engineered and Assembled in the U.S.A.

## Electrical Details

Hz 60

Amps 15 or 20

Volts 120
