Fully Automatic Espresso Machine

500 Series VeroCafe Espresso Machine with Integrated Milk System via Flexible Milk Hose – TPU40508

TPU40508
Dark Silver

Barista-quality coffees and an intuitive touchscreen are combined with the coffee pot function, a cup warmer, and a flexible milk hose.

Features & Benefits

- With the Comfort Select Display, effortlessly browse through a wide range of specialty coffees with a touch of a button.
- Effortlessly brew with milk or milk alternatives through Milk Express Plus. Simply insert the flexible milk hose directly into the carton or container.
- Prefer decaf for an afternoon pick-me-up? The ground coffee chute is suitable for using different roasts with your coffee or favorite specialties.
- Personalize coffee by choosing one of five strength levels, enjoy optimum aroma thanks to the Aroma Max System and prepare two cups of coffee seamlessly at the same time.
- Calc'n Clean provides easy cleaning and descaling when needed, for optimum taste and performance.
