FEATURES & BENEFITS

- The Perfect Pour**  
With dynamic cooling technology and frost-free operation, you can ensure beer is kept cool at your preferred serving temperature. The double-insulated stainless steel tower reduces foam, for a consistently perfect pour.
- Easy To Clean**  
An integrated drain system keeps spillage under control, and removable components make for easier cleaning.
- Quality Materials**  
Designed for outdoor use and built to last, an anti-scuff interior floor shield and stainless steel threshold protect against cabinet wear and tear from loading and unloading kegs.
- Audible Alarm**  
Receive audible alerts when the door is left ajar, and at high or low temperatures, to ensure your contents remain at an optimal temperature.
- Safe And Secure**  
Your beer dispenser has a door lock for added safety and security – a must-have for storage outside.
