Construction

Specifications

Electrical

Power Supply *powered by IDU*

Dimensions

Height 4 3/4" (120 mm)
Width 4 3/4" (120 mm)
Depth 3/4" (18 mm)

Screen Details

Size 4.5" Diagonal
Type Full Color LCD
Resolution 1920 x 1080
Backlight Yes
Brightness Adjust Yes
Screensaver Yes

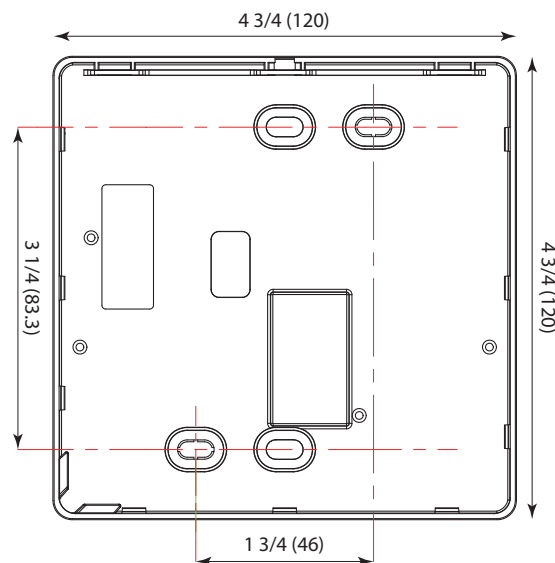

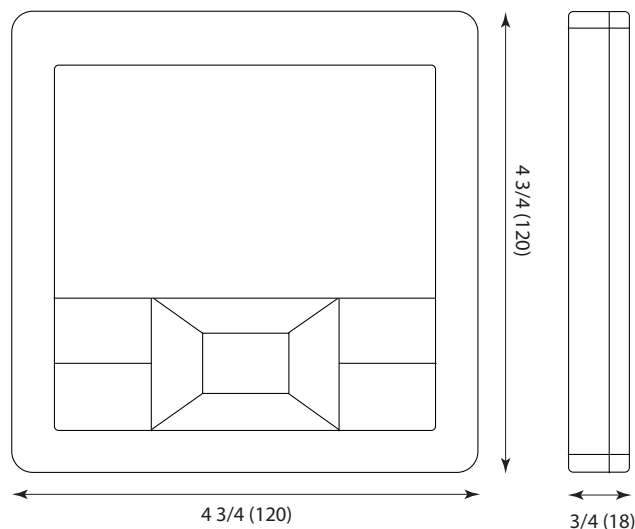

Control Scope

Max Indoor Units 16 indoor group control

Features and Benefits

- High resolution, full color LCD display
- Auto-Cool-Dry-Heat-Fan mode selection
- Precise temperature control
- Fan speed adjustment
- Turbo mode (indoor unit specific)
- Quiet mode (indoor unit specific)
- Airflow direction control (unit specific)
- Indoor temperature display
- Fahrenheit/Celsius adjustable
- Clock display
- Filter change reminder
- Error code reporting/recording
- Control lock & password protection
- Programmable Operation
- Temperature set point range limit
- Temperature offset
