

30" Series 7 Grill, Natural Gas

Series 7

Designed with flexibility in mind, DCS Grills allow you to cook a wide variety of meals and are engineered to deliver the functionality and power demanded by a professional chef. DCS Grills are hand-finished to perfection to complement the quality of the DCS premium outdoor kitchen and built to withstand the demands of the serious cook and the extremes of mother nature. Available in Natural and LP Gas.

FEATURES & BENEFITS

- Stainless Steel Burners**  
The precision ported U-shaped stainless steel burners are rated at a massive 25,000BTU each, offering premium quality and performance. A heat shield directs heat upwards maximizing heating efficiency.
- Ceramic Radiant Technology**  
A layer of ceramic rods provides intense yet even heat. It gives a consistent grilling surface, with controlled heat rather than direct fire.
- Direct Burner Ignition**  
An ergonomic ignition solution, where burners are lit directly from the corresponding knobs.
- Temperature Gauge - Zero To Sear**  
Go from zero to sear with DCS Grills' new built-in temperature gauge. It lets you know exactly how hot the grill is, even when the hood is down.

SPECIFICATIONS

|                                      |                      |
|--------------------------------------|----------------------|
| <b>Accessories (sold separately)</b> |                      |
| Built-in grill cover                 | ACBI-30              |
| Insulated jacket                     | BGB30-IJS (optional) |
| On cart grill cover                  | ACC-30               |
| Optional cart mount                  | CAD1-30 / BGB30-CSS  |

|                     |   |
