U-Line 5 Tray Blast Chiller & Shock Freezer, Reach-In

THE COOK + CHILL ADVANTAGE

- **Increase Productivity:** Prepare food in advance, chill it quickly, and reheat on demand in a single footprint.
- **Ensure Consistency:** Maintain quality and freshness for every dish.
- **Reduce Waste:** Extend shelf life and minimize food spoilage.

FEATURES

Invoq

Multi-Function Cooking

- Combines convection, steam, and combi cooking in one unit for unmatched versatility.
- Prepare a wide range of dishes with precision, from delicate pastries to succulent proteins.

Energy-Efficient Performance

- Advanced steaming and baking technology optimize cooking times while reducing energy use.
- Built to handle high demand in smaller spaces.

U-LINE COMMERCIAL

Faster Cooling, Fresher Results

- Quickly brings hot food to safe storage temperatures, preserving texture, flavor, and nutritional value.
- Reduces the risk of bacterial growth with rapid chilling that exceeds food safety standards.

Versatile Functionality

- Ideal for chilling, freezing, and food prep staging, ensuring precise control of your workflow.
- User-friendly controls with programmable settings simplify daily operations

Maximize Vertical Space

- U-Line's compact stand is designed to perfectly stack this perfect pairing of cook and chill products.
- Provides maximum functionality while maintaining a sleek and organized kitchen layout.

Durable Design

- Engineered for heavy-duty use, ensuring stability and long-term reliability.
- A streamlined solution to keep your kitchen safe and efficient.
