THE SIMPLE RECIPE FOR SUCCESS

Get it right again and again with a Built-In Wall Oven that's sure to bring out your inner chef. Enjoy the handiness of LG's SmoothTouch™ glass controls to operate your oven with the touch of a finger. Plus, reach the ideal cooking temperature 30% faster with a Crisp Convection Oven. As you can see, no matter how you look at it, you'll find the perfect balance between style and performance.

Crisp Convection
Continually distributes heat precisely so cooked foods such as biscuits, scones or pizza can remain delicious on the inside and crisp on the outside.

Self-Cleaning
The oven comes with a self-cleaning mode that virtually eliminates the need to scrub.

SmoothTouch™ Controls
Using your oven has never been easier. Intuitive, digital controls allow heat and function adjustments to be made with the touch of a finger.
