

# ADRD18H34

34.25" x 17.75" x 23.25" (H x W x D)

18" wide 2-drawer all-refrigerator in stainless steel with panel-ready drawer fronts for commercial or residential use

**Highlights:**

Flexible design allows for built-in or freestanding use in 18" wide spaces

Panel-ready drawers allow you to customize the look to match existing cabinetry

Weatherproof construction ensures safe use outdoors

**Product Features:**

|                              |                                                                                                                              |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| 18" wide drawer refrigerator | Two-drawer design in a unique 18" width ideal for undercounter spaces                                                        |
| Commercially approved        | ETL-S listed to NSF-7 standards for commercial use                                                                           |
| Panel-ready drawer fronts    | Drawers can be customized with overlay panels sized (at 14" H x 17.7" W at 3/4" thick) to match or accent existing cabinetry |
| Built-in capable             | Front-breathing design allows the unit to be built-in under counters                                                         |
| Stainless steel construction | Complete 304 grade stainless steel inside and out to ensure lasting durability with a luxurious look                         |
| Indoor/Outdoor compatible    | Durable, weatherproof construction designed to hold up to the elements                                                       |
| Professional handles         | Stainless steel handles add style to any setting                                                                             |
| Frost-free                   | No-frost operation for minimal user maintenance                                                                              |
| Interior lighting            | Soft LED lighting makes for easy viewing of each drawer's contents                                                           |
