

# ARS62PVBIADA-CRT

31.75" x 23.38" x 25" (H x W x D)

Performance series 6 cu.ft. upright ADA height controlled room temperature cabinet for pharmaceuticals and vaccines in a white finish with lock and antimicrobial silver-ion handle

## Highlights:

Controlled room temperature cabinet to store medication, pharmaceuticals, and other sensitive materials at 72°F

Adjustable operating control range from 68 to 77°F (preset to 72°F)

Sized just under 32" high to fit under lower ADA compliant counters

## Product Features:

|                                     |                                                                                                                                                                                                                                       |
|-------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Controlled Room Temperature Cabinet | Purpose-built design to store medication, pharmaceuticals, and other sensitive materials at 72°F                                                                                                                                      |
| Purpose-built design                | Designed and purpose-built to support manufacturer recommendations for storage of pharmacy, medication, and vaccines within 20° - 25°C (68° - 77°F) as defined by USP 1079> Good Storage and Distribution Practices for Drug Products |
| ADA Compliant                       | Just under 32" tall designed to fit under ADA compliant counters                                                                                                                                                                      |
| Recessed installation capable       | Versatile design allows recessed installation under counters or freestanding use                                                                                                                                                      |
| +/-1.5°C Variation                  | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period                                                  |
| Stable operation                    | Designed to maintain a set temperature, even when ambient room temperature is as cold as 68°F or as high as 86°F                                                                                                                      |
| Adjustable temperature              | Intuitive controls let you adjust the interior temperature between +68 to +77°F                                                                                                                                                       |
| Temperature alarm                   | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                                                                           |
| Remote alarm contacts               | Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit)                                                                      |

## ARS62PVBIADA-CRT Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 32.0" (81 cm)      |
| Height of Cabinet          | 31.75" (81 cm)     |
| Nominal Width              | 24.0" (61 cm)      |
| Width                      | 23.38" (59 cm)     |
| Width with Door Open       | 23.88" (61 cm)     |
| Nominal Depth              | 25.0" (64 cm)      |
| Depth                      | 25.0" (64 cm)      |
| Depth with Handle          | 26.75" (68 cm)     |
| Depth with door at 90°     | 47.0" (119 cm)     |
| Capacity                   | 6.0 cu.ft. (170 L) |
| Defrost Type               | Automatic          |
| Door                       | White              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Amps                       | 0.75               |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 115.0 lbs. (52 kg) |
| Parts & Labor Warranty     | 2 Years            |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101090542       |
| Refrigerator Features      |                    |
| Door Swing                 | RHD                |
| Reversible                 | Yes                |
| Shelf Type                 | Wire               |
| Shelf Qty                  | 4                  |
| Adjustable Shelves         | Yes                |
| Thermostat Type            | Digital            |
| Fan Type                   | Interior           |
| Refrigerant Type           | R600a              |
| Refrigerant Amount         | 1.66oz.            |
| High Side PSI              | 280.0              |
| Low Side PSI               | 90.0               |
| Interior Light             | Yes                |

| Temperature Range      | 68 to 77°F (preset to 72°F) |
|------------------------|-----------------------------|
| Sound Level            | 34.8 dB                     |
| Dimensions             |                             |
| Interior Height        | 24.5" (62 cm)               |
| Interior Width         | 20.0" (51 cm)               |
| Interior Depth         | 17.0" (43 cm)               |
| Compressor Step Height | 6.5" (17 cm)                |
| Compressor Step Width  | 20.0" (51 cm)               |
| Compressor Step Depth  | 5.0" (13 cm)                |
