

# ARS6MLDR

32.5" x 23.38" x 24.63" (H x W x D)

Performance series Med-Lab freestanding 6 cu.ft. ADA height all-refrigerator with three ventilated removable drawers, antimicrobial silver-ion handle, and hospital grade cord with 'green dot' plug

## Highlights:

Powder-coated handle with naturally occurring silver ions to help reduce germ spread

Hospital grade cord with 'green dot' plug for added safety in high traffic areas

Intelligent microprocessor digital temperature controller

## Product Features:

|                                                 |                                                                                                                                                                                      |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purpose-built design                            | Designed and purpose-built to meet the demanding needs of scientific, life science, laboratory, and medical cold storage applications                                                |
| +/-1°C Variation                                | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period |
| Antimicrobial silver ion-coated handle          | Powder-coated handle with naturally occurring silver ions to help reduce the spread of germs                                                                                         |
| Adjustable temperature                          | Intuitive controls let you adjust the interior temperature between +2 to +10°C                                                                                                       |
| Full-extension ventilated drawers               | Three drawers made from powder-coated aluminum glide out smoothly for convenient storage, with perforated bottoms to ensure proper air circulation                                   |
| Removable drawers                               | Drawers can be easily removed for convenient transporting of contents to a lab counter or work station                                                                               |
| Temperature alarm                               | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                          |
| Remote alarm contacts                           | Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit)                     |
| Automatic defrost with adjustable cycle defrost | Adjustable cycle defrost operation ensures the unit avoid temperature spikes and ice buildup                                                                                         |

## ARS6MLDR Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 32.0" (81 cm)      |
| Height of Cabinet          | 32.5" (83 cm)      |
| Nominal Width              | 24.0" (61 cm)      |
| Width                      | 23.38" (59 cm)     |
| Width with Door Open       | 23.88" (61 cm)     |
| Nominal Depth              | 25.0" (64 cm)      |
| Depth                      | 24.63" (63 cm)     |
| Depth with Handle          | 26.13" (66 cm)     |
| Depth with door at 90°     | 46.5" (118 cm)     |
| Capacity                   | 6.0 cu.ft. (170 L) |
| Defrost Type               | Automatic          |
| Door                       | White              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Amps                       | 0.75               |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 130.0 lbs. (59 kg) |
| Parts & Labor Warranty     | 2 Years            |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101075129       |
| Refrigerator Features      |                    |
| Door Swing                 | RHD                |
| Reversible                 | Yes                |
| Shelf Type                 | Drawers            |
| Shelf Qty                  | 3                  |
| Adjustable Shelves         | Yes                |
| Thermostat Type            | Digital            |
| Fan Type                   | Interior           |
| Refrigerant Type           | R600a              |
| Refrigerant Amount         | 1.66oz.            |
| Interior Light             | Yes                |
| Temperature Range          | 2 to 10°C          |
| Sound Level                | 36.4 dB            |
| Dimensions                 |                    |
| Interior Height            | 24.5" (62 cm)      |
| Interior Width             | 20.0" (51 cm)      |

|                        |               |
|------------------------|---------------|
| Interior Depth         | 17.0" (43 cm) |
| Compressor Step Height | 6.5" (17 cm)  |
| Compressor Step Width  | 20.0" (51 cm) |
| Compressor Step Depth  | 5.0" (13 cm)  |
