

# ARS6PV-AFZ5PVBIADASTACKLHD

64" x 23.38" x 25" (H x W x D)

PHARMA-VAC Performance Series stacked combination of ARS6PV vaccine all-refrigerator and AFZ5PVBIADA manual defrost all-freezer

**Highlights:**

- Purpose-built design to store medication, pharmaceuticals, and other sensitive materials
- Independent refrigerator and freezer storage in one slim-fitting footprint for space-challenged facilities
- Intelligent microprocessor digital temperature controller for optimum temperature management

**Product Features:**

|                                                     |                                                                                                                                                                                      |
|-----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Performance Series Refrigerator-Freezer Combination | Purpose-built all-refrigerator and all-freezer for vaccine storage in medical, pharmaceutical, and life science applications                                                         |
| Purpose-built design                                | Designed and purpose-built for pharmacy, medication, and vaccine applications to support meeting CDC/VFC/VFA guidelines                                                              |
| +/-1°C Variation                                    | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period |
| Space-saving design                                 | Allows you to create a full refrigerator-freezer with independent controls in a slim-fitting footprint                                                                               |
| Easy assembly                                       | Unit ships in three boxes for customer to install the StackRack on the bottom refrigerator/freezer and place and secure the other unit on top                                        |
| Antimicrobial silver ion-coated handles             | Powder-coated handles with naturally occurring silver ions to help reduce the spread of germs                                                                                        |
| Adjustable temperature                              | Intuitive controls let you adjust the interior temperature between +2 to +8°C (refrigerator) and -30° to -10°C (freezer)                                                             |
| Temperature alarms                                  | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                          |

## ARS6PV-AFZ5PVBIASTACKLHD Specifications:

| Overview                          |                     |
|-----------------------------------|---------------------|
| Nominal Height                    | 64.0" (163 cm)      |
| Height of Cabinet                 | 64.0" (163 cm)      |
| Nominal Width                     | 24.0" (61 cm)       |
| Width                             | 23.38" (59 cm)      |
| Width with Door Open              | 23.88" (61 cm)      |
| Nominal Depth                     | 25.0" (64 cm)       |
| Depth                             | 25.0" (64 cm)       |
| Depth with Handle                 | 26.75" (68 cm)      |
| Depth with door at 90°            | 47.0" (119 cm)      |
| Capacity                          | 9.88 cu.ft. (280 L) |
| Door                              | White               |
| Cabinet                           | White               |
| US Electrical Safety              | ETL                 |
| Canadian Electrical Safety        | ETL-C               |
| Voltage/Frequency                 | 115 V AC/60 Hz      |
| Parts & Labor Warranty            | 2 Years             |
| Compressor Warranty               | 5 Years             |
| UPC                               | 761101104157        |
| Refrigerator-Freezer              |                     |
| Door Swing                        | LHD                 |
| Reversible                        | No                  |
| Adjustable Shelves                | Yes                 |
| Interior Light                    | Yes                 |
| Refrigerator - Interior Height    | 24.5" (62 cm)       |
| Refrigerator - Interior Width     | 20.0" (51 cm)       |
| Refrigerator - Interior Depth     | 17.0" (43 cm)       |
| Refrigerator - Capacity           | 6.0 cu.ft           |
| Refrigerator - Shelf Type         | Wire                |
| Refrigerator - Shelf Qty          | 4                   |
| Refrigerator - Temperature Range  | 2 to 8°C            |
| Refrigerator - Refrigerant Type   | R600a               |
| Refrigerator - Refrigerant Amount | 1.66 oz.            |
| Freezer - Interior Height         | 22.5" (57 cm)       |
| Freezer - Interior Width          | 18.0" (46 cm)       |
| Freezer - Interior Depth          | 18.0" (46 cm)       |

|                              |              |
|------------------------------|--------------|
| Freezer - Capacity           | 3.88 cu.ft   |
| Freezer - Shelf Type         | Wire         |
| Freezer - Shelf Qty          | 4            |
| Thermostat Type              | Digital      |
| Fan Type                     | Interior     |
| Freezer - Temperature Range  | -30 to -10°C |
| Freezer - Refrigerant Type   | R290a        |
| Freezer - Refrigerant Amount | 1.73 oz.     |
