| Less than 18" deep                      | Unique 17.75" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                                                                                                                             |
| ADA compliant design                    | 32" height allows easy installation under lower ADA compliant counters                                                                                                                                                                                                                    |
| Adjustable height                       | Leveling legs can be extended up to 2", with a slide-out kickplate that allows you to raise the overall height from 32" up to 34" if used under more standard sized cabinets                                                                                                              |
| Built-in capable                        | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                                                                 |
| Panel-ready door                        | European style articulating door hinge allows the installation of overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design; panel size: 14 5/8" W x 28 1/4" H and at least 3/4" thick; 10 lbs. maximum; customers provide their own handles |
| Stainless steel door                    | Fully finished door also allows you to choose a traditional stainless steel front if not installing an overlay panel                                                                                                                                                                      |
| Stainless steel interior                | Walls and floor are constructed from stainless steel for added strength and easy cleanup                                                                                                                                                                                                  |
| Factory-installed lock                  | Keyed lock for a secure interior (2 keys included)                                                                                                                                                                                                                                        |
