

# BIM44GCSSADA

32" x 14.63" x 22.5" (H x W x D)

15" wide 45 lb. ADA compliant commercially listed clear icemaker with automatic defrost, internal pump, and complete stainless steel exterior

**Highlights:**

32" height allows installation under lower ADA-compliant counters

Commercially approved to NSF-12 standards

Commercial ENERGY STAR certification

**Product Features:**

|                                              |                                                                                                                                                                                          |
|----------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 15" Wide ADA Compliant Clear Icemaker        | 32" high built-in undercounter icemaker produces up to 45 lbs. of clear cubes                                                                                                            |
| ADA compliant                                | 32" height fits under lower ADA compliant counters                                                                                                                                       |
| 45 lb. production capacity                   | Can make up to 45 lbs. of clear ice cubes in a day cycle and store up to 25 lbs. per day (Note: ice is produced in sheets and can easily be broken into cubes using the provided scoop.) |
| Commercially approved                        | ETL-S listed to NSF-12 commercial standards                                                                                                                                              |
| Built-in capable                             | Make the best use of space by installing your icemaker under the counter                                                                                                                 |
| ENERGY STAR certified commercial performance | Efficient performance saves on energy use and costs                                                                                                                                      |
| Built-in pump                                | Internal pump affords more flexibility in placing the unit                                                                                                                               |
| Automatic defrost                            | Reduced maintenance with auto defrost system                                                                                                                                             |
| Clear ice cube production                    | Produces 7/8" x 7/8" x 7/8" clear ice cubes                                                                                                                                              |

### BIM44GCSSADA Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 31.88" (81 cm)     |
| Height to Hinge Cap        | 32.0" (81 cm)      |
| Width                      | 14.63" (37 cm)     |
| Depth                      | 22.5" (57 cm)      |
| Depth with Handle          | 24.5" (62 cm)      |
| Depth with door at 90°     | 36.25" (92 cm)     |
| Defrost Type               | Automatic          |
| Door                       | Stainless Steel    |
| Cabinet                    | Stainless Steel    |
| US Electrical Safety       | UL                 |
| Canadian Electrical Safety | ULC                |
| Sanitation                 | ETL-S              |
| Amps                       | 2.5                |
| Plug Type                  | NEMA 5-15P         |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 100.0 lbs. (45 kg) |
| Parts & Labor Warranty     | 1 Year             |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101067773       |
| Icemaker                   |                    |
| Door Swing                 | LHD                |
| Reversible                 | Yes                |
| Drain Required             | Yes                |
| Daily Ice Production       | 45.0 lbs. (20 kg)  |
| Ice Storage Capacity       | 25.0 lbs. (11 kg)  |
| Ice Shape                  | Cube               |
| Size of Cube               | 7/8" x 7/8" x 7/8" |
| Number of Ice Cube Sizes   | 1                  |
| Fan Type                   | Exterior           |
| Refrigerant Type           | R290a              |
| Refrigerant Amount         | 1.87 oz.           |
| High Side PSI              | 286.0              |
| Low Side PSI               | 110.0              |
| Interior Height            | 18.75" (48 cm)     |
| Interior Width             | 11.25" (29 cm)     |
| Interior Depth             | 15.5" (39 cm)      |
| Level Legs                 | 4                  |
