

# CT663BKIF

32.63" x 23.63" x 23.75" (H x W x D)

24" wide residential ENERGY STAR certified 5 cu.ft. refrigerator-freezer made in Europe with a panel-ready door and black cabinet

## Highlights:

ENERGY STAR certified for guaranteed savings and a greener performance

Flexible design allows built-in or freestanding use in 24" spaces

Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry

## Product Features:

|                                        |                                                                                                                                                                                                                                                               |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide European Refrigerator-Freezer | Full capacity for both refrigerated and frozen foods, designed and manufactured in Europe for residential use                                                                                                                                                 |
| Peak24 Series                          | European-made collection for recessed installation featuring large capacity interiors, ENERGY STAR certified performances, and versatile style                                                                                                                |
| ENERGY STAR certified                  | Rated by the DOE to perform with more efficiency than federal standards require, saving your unit energy and you on higher utility costs                                                                                                                      |
| Slim undercounter dimensions           | Ideal 24" footprint offers full 5.1 cu.ft. storage capacity in a slim fit                                                                                                                                                                                     |
| Panel-ready door                       | Integrated stainless steel door frame allows you to mount full overlay panels over the door to create a custom look that can blend into cabinetry with no exposed frame (panel size: 23 5/16" W x 28 1/4" H and at least 3/4" thick; maximum weight: 10 lbs.) |
| Cycle defrost                          | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment                                                                                                    |
| Dual evaporator cooling                | Our unique and efficient design separately cools the refrigerator while maintaining a lower temperature in the freezer compartment by utilizing two evaporators                                                                                               |
| Adjustable glass shelves               | Rearrange the refrigerator space to fit any sized item or remove shelves for simple cleanup                                                                                                                                                                   |

Door shelves Store tall bottles and condiments right on the door for convenient access
