

# CT66BK2SSRS

33.5" x 23.63" x 22.38" (H x W x D)

24" wide counter height ENERGY STAR certified refrigerator-freezer for recessed use, made in Europe with a reversible stainless steel door, black cabinet, and deluxe black interior

**Highlights:**

ENERGY STAR certified for guaranteed savings and a greener footprint

Made in Europe

5 cu.ft. of storage capacity in a perfectly sized 24" footprint

**Product Features:**

|                                                                 |                                                                                                                                                                 |
|-----------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| European refrigerator with freezer                              | 24" wide refrigerator-freezer designed and manufactured in Europe for residential use                                                                           |
| Large capacity                                                  | 5 cu.ft. of interior storage, larger than virtually any other refrigerator-freezer in this size class                                                           |
| ENERGY STAR certified                                           | Rated by the DOE to perform with more efficiency than federal standards require, saving your unit energy and you on higher utility costs                        |
| Slim counter height dimensions for recessed or freestanding use | Ideal 24" footprint for an easy fit                                                                                                                             |
| Height adjustable                                               | Adjustable legs allow you to set the height anywhere between 33.5" and 34.5" to best fit under your counter                                                     |
| Leg shield included                                             | Removable cover that lets you fill the gap that can appear between the refrigerator's kickplate and floor when raising the height                               |
| Freezer included                                                | Interior .6 cu.ft. freezer compartment with reversible door                                                                                                     |
| Dual evaporator                                                 | Our unique and efficient design separately cools the refrigerator while maintaining a lower temperature in the freezer compartment by utilizing two evaporators |
| Cycle defrost                                                   | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment      |

CT66BK2SSRS Specifications:

| Overview                       |                    |
|--------------------------------|--------------------|
| Nominal Height                 | 34.0" (86 cm)      |
| Height of Cabinet              | 33.13" (84 cm)     |
| Height to Hinge Cap            | 33.5" (85 cm)      |
| Nominal Width                  | 24.0" (61 cm)      |
| Width                          | 23.63" (60 cm)     |
| Nominal Depth                  | 23.0" (58 cm)      |
| Depth                          | 22.38" (57 cm)     |
| Depth with Handle              | 24.0" (61 cm)      |
| Depth with door at 90°         | 44.25" (112 cm)    |
| Capacity                       | 5.0 cu.ft. (142 L) |
| Defrost Type                   | Cycle              |
| Door                           | Stainless Steel    |
| Cabinet                        | Black              |
| US Electrical Safety           | ETL                |
| Canadian Electrical Safety     | ETL-C              |
| Energy Usage/Year              | 330.0kWh/year      |
| Amps                           | 1.2                |
| Voltage/Frequency              | 115 V AC/60 Hz     |
| Weight                         | 100.0 lbs. (45 kg) |
