

# CT66LWSSTBADA

32.38" x 23.63" x 23.5" (H x W x D)

Freestanding ADA compliant refrigerator-freezer for general purpose use, w/dual evaporator cooling, cycle defrost, lock, SS door, TB handle, and white cabinet

**Highlights:**

Over 5 cu.ft. of storage capacity in a perfectly sized 24" footprint

32" height for use in ADA compliant settings

Factory installed front lock offers convenient security for stored items

**Product Features:**

|                                |                                                                                                                                                                 |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant                  | 32" height for use in settings complying with ADA guidelines for lower counter height                                                                           |
| Slim counter height dimensions | Less than 24" wide with a generous storage capacity                                                                                                             |
| Fully finished white cabinet   | Allows the unit to be used freestanding                                                                                                                         |
| Stainless steel door           | Durable 304 grade wrapping                                                                                                                                      |
| Factory installed lock         | Keyed security on the refrigerator door                                                                                                                         |
| Professional towel bar handle  | Curved handle in brushed stainless steel offers a sturdy grip with professional elegance                                                                        |
| Cycle defrost                  | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment      |
| Dual evaporator                | Our unique and efficient design separately cools the refrigerator while maintaining a lower temperature in the freezer compartment by utilizing two evaporators |
| Adjustable shelves             | Rearrange refrigerator space to accommodate all sizes or remove shelves for simple cleanup                                                                      |
