

# FF7LWPRO

33.5" x 23.63" x 23.5" (H x W x D)

24" wide auto defrost commercial all-refrigerator with lock, digital thermostat, internal fan, and access port for user-provided monitoring equipment

**Highlights:**

- Ideal 24" footprint offers large capacity in a slim fit
- Factory installed access port allows users to install their own monitoring equipment
- Commercially listed to NSF-7 standards

**Product Features:**

|                                           |                                                                                                    |
|-------------------------------------------|----------------------------------------------------------------------------------------------------|
| Commercially approved                     | ETL-S listed to NSF standards for commercial use                                                   |
| Digital thermostat                        | Electronic controls ensure easy and intuitive temperature management                               |
| Internal fan                              | Fan-forced cooling ensures the unit is evenly cooled from top to bottom                            |
| Access port                               | Unit comes with a factory installed probe hole for users to connect their own monitoring equipment |
| Hospital grade cord with 'green dot' plug | Secure three-pronged cord for added unit safety                                                    |
| Factory installed lock                    | Top-mounted keyed lock for convenient security                                                     |
| Automatic defrost                         | Reduced maintenance with auto defrost system                                                       |
| Adjustable shelves                        | Rearrange refrigerator space to accommodate all sizes or remove shelves for simple cleanup         |
| Flat door liner                           | Easy to clean, with more depth for storage                                                         |

## FF7LWPRO Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 34.0" (86 cm)         |
| Height of Cabinet          | 33.5" (85 cm)         |
| Nominal Width              | 24.0" (61 cm)         |
| Width                      | 23.63" (60 cm)        |
| Nominal Depth              | 24.0" (61 cm)         |
| Depth                      | 23.5" (60 cm)         |
| Depth with Handle          | 25.13" (64 cm)        |
| Depth with door at 90°     | 46.13" (117 cm)       |
| Capacity                   | 5.5 cu.ft. (156 L)    |
| Defrost Type               | Automatic             |
| Door                       | White                 |
| Cabinet                    | White                 |
| US Electrical Safety       | ETL                   |
| Canadian Electrical Safety | ETL-C                 |
| Sanitation                 | ETL-S                 |
| Amps                       | 1.4                   |
| Voltage/Frequency          | 115 V AC/60 Hz        |
| Weight                     | 100.0 lbs. (45 kg)    |
| Parts & Labor Warranty     | 1 Year                |
| Compressor Warranty        | 5 Years               |
| UPC                        | 761101072111          |
| Refrigerator Features      |                       |
| Door Swing                 | RHD                   |
| Reversible                 | Yes                   |
| Shelf Type                 | Wire                  |
| Shelf Qty                  | 3                     |
| Adjustable Shelves         | Yes                   |
