

FS30LPLUS2

24.63" x 18.5" x 17.75" (H x W x D)

Compact manual defrost all-freezer for medical/general purpose use, with NIST calibrated thermometer and lock

Highlights:

Compact size is ideal for countertop use

NIST calibrated thermometer displays the current and high/low temperature to the nearest tenth of a degree

Factory installed lock provides added security

Product Features:

|                             |                                                                                                                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Compact dimensions          | Sized for easy use on top of counters                                                                                                                                                           |
| Factory installed lock      | Keyed lock for a secure interior                                                                                                                                                                |
| NIST calibrated thermometer | Thermometer provides continuous display of the current and high/low temperature to the nearest tenth of a degree, with a readout switchable from Celsius to Fahrenheit at the touch of a button |
| Buffered temperature probe  | Thermometer probe is encased in a glycol-filled bottle to better simulate the temperature of stored contents instead of refrigerator air temperature                                            |
| Manual defrost              | Static cooling system for improved temperature stability                                                                                                                                        |
| -20°C capable               | Low temperature capability ideal for certain sensitive items                                                                                                                                    |
| Wire shelving               | Convenient storage with a wire design that helps ensure even temperature distribution                                                                                                           |
| One piece interior liner    | Easy clean-up with a seamless liner that won't hold a mess in hidden crevices                                                                                                                   |
| Flat door liner             | Interior design conforms to CDC guidelines to ensure stable conditions for sensitive materials                                                                                                  |

## FS30LPLUS2 Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Nominal Height             | 25.0" (64 cm)      |
| Height of Cabinet          | 24.5" (62 cm)      |
| Height to Hinge Cap        | 24.63" (63 cm)     |
| Nominal Width              | 19.0" (48 cm)      |
| Width                      | 18.5" (47 cm)      |
| Nominal Depth              | 18.0" (46 cm)      |
| Depth                      | 17.75" (45 cm)     |
| Depth with door at 90°     | 34.5" (88 cm)      |
| Capacity                   | 1.8 cu.ft. (51 L)  |
| Defrost Type               | Manual             |
| Door                       | White              |
| Cabinet                    | White              |
| US Electrical Safety       | ETL                |
| Canadian Electrical Safety | ETL-C              |
| Amps                       | 0.8                |
| Voltage/Frequency          | 115 V AC/60 Hz     |
| Weight                     | 50.0 lbs. (23 kg)  |
| Parts & Labor Warranty     | 1 Year             |
| Compressor Warranty        | 5 Years            |
| UPC                        | 761101057767       |
| Freezer                    |                    |
| Door Swing                 | RHD                |
| Reversible                 | Factory Reversible |
| Interior Height            | 18.63" (47 cm)     |
| Interior Width             | 13.38" (34 cm)     |
| Interior Depth             | 13.0" (33 cm)      |
| Shelf Type                 | Wire               |
| Shelf Qty                  | 2                  |
| Thermostat Type            | Dial               |
| Refrigerant Type           | R600a              |
| Refrigerant Amount         | 0.8 oz.            |
| Level Legs                 | 2                  |
| Compressor Step Height     | 8.0" (20 cm)       |
| Compressor Step Width      | 13.38" (34 cm)     |
| Compressor Step Depth      | 5.75" (15 cm)      |
