

# H30RSSADA

5.13" x 29.88" x 18.63" (H x W x D)

30 inch wide ADA compliant under cabinet convertible range hood for ducted or ductless use in stainless steel with remote wall switch

### Highlights:

ADA compliant design allows you to control the hood from a wall light switch for easier accessibility

30 inch wide pairs well with a variety of ranges and cooktops

Stainless steel construction for elegant durability

### Product Features:

|                                   |                                                                                                                                                               |
|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30" Wide ADA Compliant Range Hood | Convertible hood designed for ducted or ductless installation in compliant with ADA guidelines                                                                |
| ADA compliant design              | Hood is wired to run off a wall switch for improved accessibility, with a remote terminal block included                                                      |
| Under cabinet range hood          | Low profile design offers a classic way to finish your kitchen                                                                                                |
| 30 inch width                     | Sized for use over 30 inch cooking surfaces (additional sizes available)                                                                                      |
| Convertible design                | Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible                                              |
| Easy 1-step conversion            | Ships pre-set for recirculating mode but can be converted for ducted use in less than a minute                                                                |
| Versatile top or rear exhaust     | Ships for standard 3 1/4" x 10" vertical or horizontal exterior venting and convertible to a 6" or 7" round vertical venting with a transition (not included) |
| Stainless steel finish            | Durable construction in an attractive style with a horizontal grain                                                                                           |
| Two-speed fan                     | High and low setting to allow proper ventilation of your kitchen as needed                                                                                    |
