

# SBC58BLBIADANKIF

32.25" x 23.63" x 22.75" (H x W x D)

Built-in undercounter ADA height commercially listed beer dispenser with panel-ready door and black cabinet; no tapping equipment included

## Highlights:

32 inch height fits under lower ADA compliant counters

Commercially listed to NSF-7 standards

Flexible design allows built-in or freestanding use in 24" spaces

## Product Features:

|                       |                                                                                                                                                                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant height  | Sized at 32 inches high (32.25 to hinge cap) for installation under lower ADA compliant counters                                                                                                                                              |
| Commercially approved | ETL-S listed to NSF-7 commercial standards and meets UL-471 for use in foodservice settings                                                                                                                                                   |
| Built-in capable      | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                     |
| Tap kit not included  | Install your own tapping equipment to create a customized beer cooler                                                                                                                                                                         |
| Designed for 1/6 kegs | Interior can store up to two sixtel kegs                                                                                                                                                                                                      |
| Panel-ready door      | Customize the front by mounting an overlay panel over the door; seamless look can blend into other cabinetry with no exposed frame. Handle not included (panel size: 23 5/16" W x 28 1/4" H and at least 3/4" thick; maximum weight: 10 lbs.) |
| Adjustable thermostat | Interior dial thermostat ensures easy temperature management                                                                                                                                                                                  |
| Automatic defrost     | No-frost operation for minimum user maintenance                                                                                                                                                                                               |
| User-reversible door  | Unit ships with a right hand door swing. For a left hand version, add option LHD upon order                                                                                                                                                   |

# SBC58BLBIADANKIF Specifications:

| Overview                   |                    |
