

# SCFF1842KS

34.25" x 17.75" x 24" (H x W x D)

18" wide built-in undercounter frost-free freezer with black stainless steel door, lock, and digital thermostat

### Highlights:

Unique 18" width is ideal for small homes and micro-kitchens

304 grade stainless steel wrapped door in a unique black finish from our exclusive basalt collection

Fingerprint resistant door hides most smudges and is easy to clean with a dry cloth

### Product Features:

|                                    |                                                                                                                                                                                                                                  |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Commercially listed                | ETL-S listed to NSF-7 Standards for use in commercial establishments                                                                                                                                                             |
| 18" Wide Undercounter Freezer      | Frost-free all-freezer for built-in installation or freestanding use                                                                                                                                                             |
| Built-in capable                   | Make the best use of space by installing your appliance under the counter                                                                                                                                                        |
| Black stainless steel wrapped door | 304 grade stainless steel in a high gloss neutral finish from our basalt collection; note: due to the reflective quality of our door finish, this color may appear different under different lighting and surrounding conditions |
| Fingerprint resistant              | Door wipes clean with a dry cloth, while the dark basalt finish hides most smudges                                                                                                                                               |
| Factory installed lock             | Keyed security on the door                                                                                                                                                                                                       |
| Frost-free operation               | Eliminates the need to manually defrost the interior                                                                                                                                                                             |
| Digital thermostat                 | Electronic controls for precise temperature management.                                                                                                                                                                          |
| Digital display                    | Temperature readout can be shown in Celsius or Fahrenheit                                                                                                                                                                        |

## SCFF1842KS Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 35.0" (89 cm)         |
| Height of Cabinet          | 34.25" (87 cm)        |
| Nominal Width              | 18.0" (46 cm)         |
| Width                      | 17.75" (45 cm)        |
| Nominal Depth              | 24.0" (61 cm)         |
| Depth                      | 24.0" (61 cm)         |
| Depth with Handle          | 25.75" (65 cm)        |
| Depth with door at 90°     | 40.0" (102 cm)        |
| Capacity                   | 2.7 cu.ft. (76 L)     |
| Defrost Type               | Frost-Free            |
| Door                       | Black Stainless Steel |
| Cabinet                    | Black                 |
| US Electrical Safety       | ETL                   |
| Canadian Electrical Safety | ETL-C                 |
| Sanitation                 | ETL-S                 |
| Energy Usage/Year          | 346.0kWh/year         |
| Amps                       | 1.25                  |
| Voltage/Frequency          | 115 V AC/60 Hz        |
| Weight                     | 90.0 lbs. (41 kg)     |
| Parts & Labor Warranty     | 1 Year                |
| Compressor Warranty        | 5 Years               |
