

# SCR1156CH

58.38" x 23.63" x 22.88" (H x W x D)

Full-size commercially listed wine cellar with stainless steel interior, champagne shelving, digital controls, self-closing glass door, and black cabinet

## Highlights:

Commercially approved to NSF-7 standards

Stainless steel shelving is specially sized to store larger wine and champagne bottles, with adjustable clips pre-positioned to display bottles at a slight angle

Digital thermostat offers precise and convenient temperature control with a wide range to accommodate red or white wine

## Product Features:

|                                 |                                                                                                                                        |
|---------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Commercially approved           | Design meets UL-471 commercial standards and is ETL-S listed to NSF-7 standards for commercial use                                     |
| Champagne racks                 | Stainless steel shelves are specially sized to store wider wine and champagne bottles                                                  |
| Bottle display                  | Cantilevered clips are pre-installed so that the shelving can be installed at a slight angle to provide a display of the bottle labels |
| Interior LED lighting           | Fully lit interior with a striking blue LED hue, providing an attractive and energy efficient view                                     |
| Slim fit                        | Just 24" wide and deep for an easy fit in any setting                                                                                  |
| Frost-free operation            | No-frost convenience requires no manual defrosting                                                                                     |
| Stainless steel interior        | Walls are constructed from stainless steel for added strength and easy cleanup                                                         |
| Double pane tempered glass door | Heat-safe glass door with stainless steel trim offers full display all the way down to the floor                                       |
| Self-closing door               | Door will automatically close when left ajar, preventing items from accidentally being left exposed to ambient temperatures            |
