

# SCR1536BGPNR

33.88" x 14.75" x 22.75" (H x W x D)

15" wide built-in undercounter glass door beverage cooler designed for the display of refrigeration and sealed food in commercial or residential settings, with panel-ready door trim, digital controls, lock, LED light, and black cabinet

### Highlights:

Just under 15" wide for an easy fit, with a flush back design to save space

Flexible design allows built-in or freestanding use under counters

Panel-ready door frame allows you to create a truly custom look under the counter

### Product Features:

|                                 |                                                                                                                                     |
|---------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Commercially approved           | ETL-S listed to NSF-7 Standards for use in commercial establishments                                                                |
| Built-in capable                | Make the best use of space by installing your appliance under the counter                                                           |
| Fully finished black cabinet    | Allows the unit to be used freestanding                                                                                             |
| Panel-ready door trim           | Door frame can be customized with a custom overlay panel (panel frame dimensions: 14 9/16" W x 29 7/8" H at 3/4" minimum thickness) |
| Double pane tempered glass door | Provides a full display of stored contents with a heat-safe double tempered design                                                  |
| Factory installed lock          | Keyed security on the door                                                                                                          |
| Digital thermostat              | Electronic controls for precise temperature management.                                                                             |
| Digital display                 | Temperature readout can be shown in Celsius or Fahrenheit                                                                           |
| LED lighting                    | Gentle illumination with an on/off switch                                                                                           |

SCR1536BGNR Specifications:

| Overview                   |                         |
|----------------------------|-------------------------|
| Nominal Height             | 34.0" (86 cm)           |
