

# SPR3032DADA

31.88" x 29.5" x 23.25" (H x W x D)

30" wide 2-drawer built-in ADA compliant all-refrigerator designed for indoor or outdoor use with panel-ready fully finished stainless steel drawer fronts, approved for residential and commercial use

### Highlights:

Flexible design allows for built-in or freestanding use in 30 inch wide spaces

Less than 24 inches deep for an easier fit in busy kitchens

32" height allows easy installation under lower ADA compliant counters

### Product Features:

|                                    |                                                                                                                                                       |
|------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30" wide 2-drawer all-refrigerator | Uniquely sized for built-in installation under counters in residential or commercial kitchen settings                                                 |
| ADA Compliant height               | 32" height allows easy installation under lower ADA compliant counters                                                                                |
| Less than 24" deep                 | Shallower depth than many similar units in this size class, allowing an easier fit in tight commercial or residential kitchen spaces                  |
| Stainless steel drawers            | Interior and exterior drawer fronts feature weatherproof stainless steel construction in a horizontal grain for long-lasting luxury under the counter |
| Panel-ready drawer fronts          | Drawers can be customized with overlay panels (sized at 29.5" x 13.78" at 3/4" thick) to match or accent existing cabinetry                           |
| Built-in capable                   | Front-breathing design allows the unit to be built-in under counters                                                                                  |
| Indoor/Outdoor compatible          | Durable, weatherproof construction designed to hold up to the elements                                                                                |
| Commercially approved              | ETL-S listed to NSF-7 standards allows use in commercial kitchens                                                                                     |
| Professional handles               | Stainless steel handles add style to any setting                                                                                                      |
