

GE APPLIANCES

VRF Cassettes

2x2 Cassettes

R32 Leak Detector

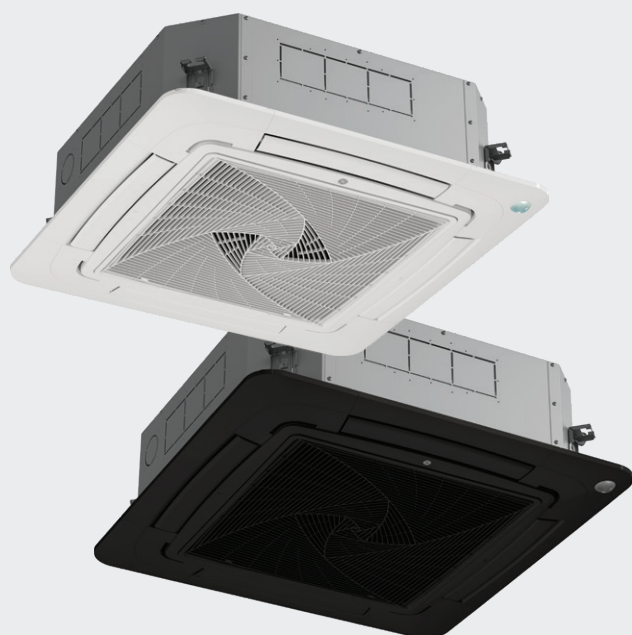

Standard integrated R32 leak detector for enhanced safety and compliance.

Simplified Serviceability

Easily accessible PCB from below the unit. Includes a factory-provided knockout for a fresh air inlet to the cassette unit.

Stylish Panel Design

4-way airflow design. Equipped with a built-in occupancy sensor for automatic comfort. Available in black or white finish.

3x3 Cassettes

R32 Leak Detector

Standard integrated R32 leak detector for enhanced safety and compliance.

Simplified Serviceability

Easily accessible PCB from below the unit. Includes a factory-provided knockout for a fresh air inlet to the cassette unit.

Stylish Panel Design

4-way airflow design. Equipped with a built-in occupancy sensor for automatic comfort. Available in black or white finish.

Installation and System Control

Simplified installation and faster, more reliable system communication with MRV-Link.
