

# ACAR58

32" x 23.63" x 22.63" (H x W x D)

Commercial all-refrigerator with stainless steel door, black cabinet, door storage, lock, and digital controls

### Highlights:

Commercially listed to NSF-7 standards

32" height fits under lower ADA compliant counters

Flexible design allows built-in or freestanding use in 24" wide spaces

### Product Features:

|                                  |                                                                                                                               |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide Commercial Refrigerator | Undercounter all-refrigerator for storage in foodservice settings                                                             |
| Commercially approved            | ETL-S listed to NSF-7 Standards for use in commercial establishments                                                          |
| ADA compliant design             | 32" height allows easy installation under lower ADA compliant counters                                                        |
| Sealed back                      | Space-saving design that offers easier cleanability, a crucial feature for meeting NSF standards                              |
| Built-in capable                 | Front-breathing design lets you make the best use of space by installing your appliance under the counter                     |
| Stainless steel door             | Durable construction with a professional look ideal for restaurants, cafes, convenience storages, and other commercial spaces |
| Factory installed lock           | Keyed lock for a secure interior to protect stored contents from customers as needed                                          |
| Frost-free operation             | No-frost operation for minimum staff maintenance                                                                              |
| Internal fan                     | Fan-forced cooling to ensure fast temperature recovery after door openings                                                    |

ACAR58 Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 32.0" (81 cm)         |
| Height of Cabinet          | 32.0" (81 cm)         |
