SCM1000SS2

11.75" x 19.13" x 15.25" (H x W x D)

1000W commercial microwave with stainless steel exterior and interior, flat bottom with no turntable included

Highlights:

Flat interior with no turntable needed

Commercially approved to NSF standards

Stainless steel exterior and interior

Product Features:

Countertop Commercial Microwave	1000W microwave approved to NSF standards for use in foodservice applications
Commercially listed	ETL-S listed to NSF-4 commercial standards for use in foodservice settings
Stainless steel construction	Brushed stainless steel exterior and polished interior for lasting durability and trusted sanitation
Flat interior (no turntable needed)	This microwave does not include or require a turntable, ensuring safer use in various facilities where glass can pose a danger
Deodorization function	Specialty setting helps to clear the microwave of lingering food odors
Defrost setting	Microwave can be set at a low power to help thaw frozen items without cooking them
2x option	Double the cooking time when needed
Saveable settings	For frequently used multi-power settings, use the 'save cooking program' option for easier one-touch heating
Commercially listed	ETL-S listed to NSF-4 commercial standards
