Specification Revised 1/22

GDF535PSR/PGR

GE® Plastic Interior Dishwasher

FEATURES AND BENEFITS

Advanced Dry Cycle – Get hard-to-dry items like plastics up to three-times drier than standard heated dry cycles with Dry Boost™. (*Compared to heated dry option.)

High Quality & Always Dependable – The heavy-duty PermaTuf® plastic interior is extremely long-lasting, durable and has an attractive American Gray finish.

Reliable Performance – Rest assured this American made dishwasher will wash and dry your dishes every time.

Water Leak Sensor – This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached.

Choose Your Cycle – This dishwasher offers a heavy wash, normal wash, rinse cycle and a 1-hour wash cycle for outstanding wash performance and clean dishes every time, every load size. Steam Sanitizing Wash – A sanitize setting reduces 99.999% of bacteria found on dishes, and a steam setting loosens tough soils, so there's no need to pre-rinse dishes.

Upper & Lower Racks – This dishwasher has a top rack and a bottom rack, so you can load dishes however you want.

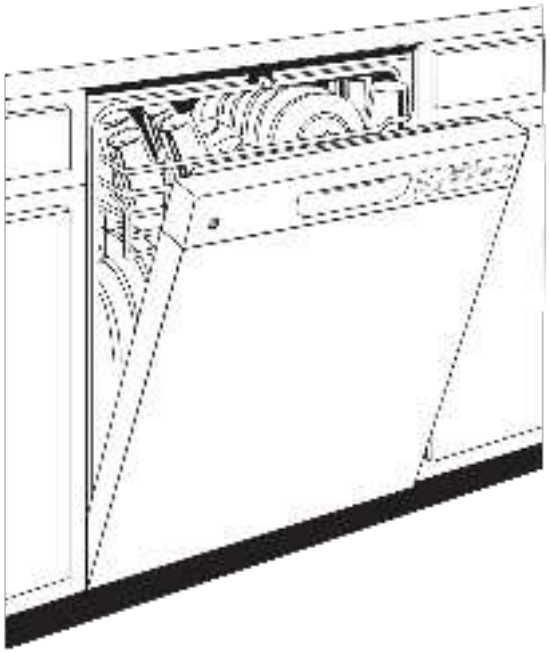

Quiet Operation – This quiet 55 dBA dishwasher has a status light on the door to let you know when it's running.

Hard Food Disposer – The Piranha™ hard food disposer with a removable filter has a stainless steel blade that rotates at 3,600 RPM, preventing large particles from clogging the wash arms and ensuring consistently clean dishes.

14 Place Setting Dishwasher – This dishwasher holds up to 14 place settings, so you can easily clean dishes after large gatherings.

Top or Side Mount Installation Brackets – Easily mount the dishwasher under your countertop or to the side of your cabinets using installation brackets for any type of countertop.

Built-Up Floor Capable – This dishwasher has adjustable heights, making it easy to install over built-up floors.

Model GDF535PSRSS – Stainless Steel

Model GDF535PGRWW – White

Model GDF535PGRBB – Black

Model GDF535PGRCC – Bisque
