15" INDOOR - OUTDOOR CLEAR GOURMET CUBE ICE MAKER

- Rated for Indoor or Outdoor use
- Up to 55lbs of Gourmet Ice per day
- Stores up to 27lbs of ice
- Fully Automatic

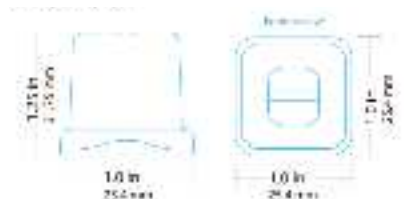

15" UNDERCOUNTER ICE MAKER

Automatically produces up to 55lbs of clear gourmet ice per day.

The XOUIIM1565 series icemaker produces large cube gourmet ice that is crystal clear, ideal for use in all kinds of beverages. That's because the rectangular bell shaped cubes are designed to melt slowly and minimize any dilution. The spray molding process allows impurities that can add taste or odor to be continually washed away. It is ice created for the purist in you.

The right ice matters.
