RESIDENTIAL LAUNDRY PRODUCTS

Expertly engineered to deliver commercial performance, tested to ensure ultimate durability and built with American Pride in Ripon, Wisconsin, Speed Queen® laundry products truly are in a class by themselves. We put our more than 115 years of experience into every machine and test it to 10,400 cycles – 25 years of life in a normal home. Then, we back that quality with the industry’s best warranties and offer our products through a network of highly skilled, authorized independent retailers. The result? Products that set new standards for reliability.
