

CORE MESSAGING

C7325LC

LG CordZero™ X9 Cordless Stick Vacuum with AI Mode Dual Floor Max™ Nozzle, Kompressor® Technology, Quick DustFilter Cleaning System and Large Dust Bin

Deep cleaning that goes the distance— with lasting power in a convenient, lightweight cordless design

Lasting power. Built-in intelligence. Bigger capacity. Our advanced 30-cyclone design is everything you need for whole-home cleaning in a lightweight, cordless vacuum. The AI Mode Dual Floor Max™ Nozzle automatically adjusts for hard floors and carpet—so you don't have to stop to change settings. Kompressor® technology and larger dust bin combine to tackle big messes, with fewer trips to empty the dust bin. The Quick DustFilter cleaning system helps keep your vacuum in top shape—effortlessly.

**C7325LC**

LG CordZero™ X9 Cordless Stick Vacuum with AI Mode Dual Floor Max™ Nozzle, Kompressor® Technology, Quick DustFilter Cleaning System and Large Dust Bin

**Power & Performance****PERFECT POWER FOR EFFECTIVE CLEANING**

- A new, more efficient airflow design coupled with our powerful Smart Inverter Motor™ provides up to 150 Air Watts of suction power
- Delivers all the pick-up power you need to meet your deep cleaning routine head-on

**AI Mode Dual Floor Max™ Nozzle****DETECTS FLOOR TYPE AND ADJUSTS SUCTION POWER—AUTOMATICALLY**

- AI Mode Dual Floor Max™ Nozzle detects carpet or hard floors on the fly and automatically adjusts vacuum suction power for each surface
- It incorporates both a soft roller and a carpet agitator in one, so you don't have to change attachments
- Also tames pet hair or long hair tangles by minimizing hair wrap on the brush head
- Built-in LED headlight illuminates your cleaning path so even in dark corners, dirt has nowhere to hide

**Kompressor® Technology + Large Dust Bin Capacity****COMPRESS DIRT AND DUST SO YOU CAN CLEAN MORE, EMPTY LESS**

- Press the Kompressor® lever to compress collected dirt, dust and pet hair in the bin as you go so you can clean without stopping
- Combined with our large dust bin that holds even more than before, big messes don't stand a chance
- Easily empty the bin when full, with less mess and scattered dust

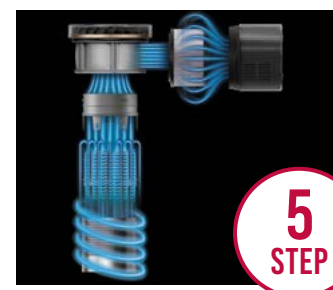

Additional Features

5-Step Filtration System

FILTERS OUT DUST FOR SUCTION POWER THAT LASTS

- Our 5-step filtration system helps to filter out dust by separating suctioned dust in the dust bin, then filtering the remaining fine dust
- The 30 cyclones help optimize suction power over time by lessening the potential for clogs

Consistent Performance

SUCTION THAT STARTS STRONG, STAYS STRONG

- 30 cyclones spin and help separate fine dust and debris for consistently reliable suction power
- Quick DustFilter cleaning system cleans the filter as you clean floors—effortlessly
- Extend the life of your vacuum with easy to maintain removable and washable components

Easy-to-Use Design

CONVENIENT FEATURES PUT YOU IN CONTROL

- Intuitive smart control LED display shows remaining run time, current suction power and maintenance alerts
- Easily turn the vacuum on and off or select different power levels with one touch
- Auto Stop & Go conveniently turns the vacuum off when you put it down—and turns it back on when you pick it up

Detachable Handheld Vacuum

QUICK SPOT CLEANING

- Detach the hand vacuum for quick and easy spot cleaning and the versatility to switch between floors and furniture
- Crevice tool with automatic LED light makes it easier to see and clean corners or under furniture
- Store tools on the wall-mount charging dock to keep them handy

Quick-Release Battery

UP TO 60 MINUTES OF LONG-LASTING PERFORMANCE*

- Rechargeable, quick-release battery delivers up to 60 minutes of power*, so you can clean upstairs and downstairs, hard floors and carpet
- Upgraded lithium-ion battery is designed to take repeated charges and come back for more

* In lowest setting without powered tools.
