**WW25FG6B34BE**

**2.5 cu. ft. Compact Front Load Washer  
with AI Smart Dial and Super Speed Wash**

# Product Overview

**Product Title**  
2.5 cu. ft. Compact Front Load Washer with AI Smart Dial and Super Speed Wash

**Product Description (365 Characters)**  
Samsung's 2.5 cu. ft. capacity compact Front Load Washer gives you the perfect mix of size and function. It is equipped with our AI Smart Dial, which learns and recommends your favorite cycles\* and simplifies the control panel, to make controlling your washer a breeze. It also has Super Speed Wash, which powerfully cleans a full load of laundry in just 30 minutes.\*\*

\*AI Smart Dial makes recommendations within 30 days of use based on cycle selections, time selected, and other factors.  
\*\*Based on using Super Speed cycle with a 6lb load.

¹ Requires wireless network, Samsung account and Samsung SmartThings App. The Samsung SmartThings App supports Android OS 4.0 (ICS) or later, which is optimized for Samsung smartphones (Galaxy S and Galaxy Note series). This app also supports iOS 7 or later for iPhone models. Samsung SmartThings App available in App Store and Play Store.

² Designed to fit a 30" installation depth.

Electric Dryer Spec Sheet - page 1

DV25FG60BVBE

4.0 cu. ft. Smart Dial Electric Dryer with Sensor Dry

Depth with door open 90°

Dimensions

23<sup>5</sup>/<sub>8</sub>" 25<sup>13</sup>/<sub>16</sub>" 43<sup>1</sup>/<sub>8</sub>" 33<sup>1</sup>/<sub>2</sub>"

Installation Specifications – Side-by-Side or Stand-Alone

If the washer and dryer are installed together or the dryer alone, the closet front must have two unobstructed air openings for a combined minimum total area of 72-inch². Your washer alone does not require a specific air opening.

Alcove or closet installation

Minimum clearances for closet and alcove installations:

Recessed Area

Side View Confined

Maximum space of 7" is required for best dryer performance. In case of insufficient space for duct installation, properly sized vent kit is needed.

Connection Dimensions

# Warranty

**LIMITED WARRANTY (U.S.A.) – SAMSUNG DRYER**

DV25FG60BVBE  
DV25FG62B0BE

**LIMITED WARRANTY TO ORIGINAL CONSUMER PURCHASER WITH PROOF OF PURCHASE AND/  
OR PROOF OF DELIVERY**

This SAMSUNG brand product, as supplied and distributed by SAMSUNG ELECTRONICS AMERICA, INC. (SAMSUNG) and delivered new, in the original carton to the original consumer purchaser, is warranted by SAMSUNG against manufacturing defects in materials or workmanship for the following limited warranty periods, starting on the date of delivery to the original consumer purchaser:

**One (1) year Parts and labor**

This limited warranty is valid only on products purchased and used in the United States that have been installed, operated, and maintained according to the instructions attached to or furnished with the product. To receive warranty service, the purchaser must contact SAMSUNG at the address or phone number provided below for problem determination and service procedures. Warranty service can only be performed by a SAMSUNG authorized service center. The original dated bill of sale and/or proof of delivery must be presented upon request to SAMSUNG or SAMSUNG’s authorized service center to receive warranty service.

SAMSUNG will provide in-home service within the contiguous United States during the warranty period at no charge, subject to availability of SAMSUNG authorized servicers within the customer’s geographic area. If in-home service is not available, SAMSUNG may elect, at its option, to provide transportation of the product to and from an authorized service center. If the product is located in an area where service by a SAMSUNG authorized servicer is not available, you may be responsible for a trip charge or required to bring the product to a SAMSUNG authorized service center for service.

To receive in-home service, product must be unobstructed and accessible to the service agent.

During the applicable warranty period, a product will be repaired, replaced, or the purchase price refunded, at the sole option of SAMSUNG. SAMSUNG may use new or reconditioned parts in repairing a product, or replace the product with a new or reconditioned product. Replacement parts and products are warranted for the remaining portion of the original product’s warranty or ninety (90) days, whichever is longer. All replaced parts and products are the property of SAMSUNG and you must return them to SAMSUNG.

This limited warranty covers manufacturing defects in materials or workmanship encountered in normal household, noncommercial use of this product and shall not cover the following: damage that occurs in shipment, delivery, installation, and uses for which this product was not intended; damage caused by unauthorized modification or alteration of the product; product where the original factory serial numbers have been removed, defaced, changed in any way, or cannot be readily determined; cosmetic damage including scratches, dents, chips, and other damage to the product’s finishes; damage caused by abuse, misuse, pest infestations, accident, fire, floods, or other acts of nature or God; damage caused by use of equipment, utilities, services, parts, supplies, accessories, applications, installations, repairs, external wiring or connectors not supplied or authorized by SAMSUNG; damage caused by incorrect electrical line current, voltage, fluctuations and surges; damage caused by failure to operate and maintain the product according to instructions; in-home instruction on how to use your product; and service to correct installation not in accordance with electrical or plumbing codes or correction of household electrical or
