- Gold Cup Performance - Barista-quality coffee at home with a Gold Cup brewing setting that optimizes temperature, brew time and extraction to meet Specialty Coffee Association standards.
- Hot or Over Ice, Your Way - Brew for the moment—rich, full-flavored hot coffee or smooth, balanced iced coffee that never tastes diluted.
- 1–10 Cup Coffee Brewing - From a single cup of coffee to a full carafe, brew exactly what you need—no waste, no compromise.
- Customized Brew Strength - Enjoy the perfect cup of coffee exactly the way you like it courtesy of five unique brewing modes: Gold, Light, Medium, Bold, and Ice.
- SCA-Certified Quality - This SCA-certified coffee maker meets Specialty Coffee Association standards for exceptional brewing performance, delivering consistently balanced and complex flavor.
- Precision Temperature Control - Brew within the optimal 185°–205°F temperature range for ideal extraction and flavor clarity.
- Delay Brew - Program your CAFÉ coffee maker to begin brewing at a scheduled time — no waiting, just perfectly timed coffee.
- Wi-Fi Connected Coffee Maker - Built-in Wi-Fi lets you start, schedule, and personalize your brew from anywhere using the SmartHQ app.
- Glass Coffee Carafe and Warming Plate - Keep your coffee at the ideal temperature for longer with an elegant glass carafe and warming plate that maintains temperatures at over 178° F for two hours.
