GE APPLIANCES a Haier company / CustomerNet

GE® ENERGY STAR® 11.9 cu. ft. Top-Freezer Refrigerator

Model# GPE12FGZWW

- Icemaker Ready - Optional IM4D icemaker (sold separately) eliminates the need to fill ice trays, so you always have a steady ice supply on hand.
- Bright LED Lighting - Bright, crisp LED lighting makes it easy to find even the smallest items.
- Extra-Large Adjustable Door Bins - Extra-large door bins provide space for gallon jugs, tall 2-liter bottles, and everyday essentials. The fridge door bin adjusts up or down to accommodate taller items.
- Adjustable Glass Fresh Food Shelves - Two adjustable glass shelves in the fresh food section offer flexible storage to easily fit tall or bulky items.
- Adjustable Glass Freezer Shelf - An adjustable glass shelf in the freezer lets you customize the space to fit your favorite frozen foods.
- Condiment/Can Storage - Dedicated can /condiment door storage keeps your favorite drinks, condiments, and small items organized and within reach.
- Clear Crisper Drawer - Organize your fruits and vegetables the way you want with a clear crisper drawer
- Dairy Zone - The dairy zone provides a dedicated space to store your butter, cheese, and more
- Integrated Handles - Easily access your food with sleek integrated handles, located in the center or top of the refrigerator
- Reversible Doors - Reversible refrigerator and freezer doors offer installation flexibility, allowing for either a right-hand or left-hand door swing to best fit your space.
